

Clarity Contracting, Chartered Accountants Specialist Contractor Accountants

WHO ARE WE?

We are a specialist **Chartered Accountancy** firm, dedicating our expertise to servicing the needs of the UK's contractors and freelancers.

OUR FIXED FEE SERVICE – KEY FEATURES

- We offer a friendly, personalised, no-nonsense expert service
- All clients have a dedicated accounts manager
- There are no hidden extras whatsoever
- All clients have 24/7 access to their accounts, transactions, and all communications with us.
- All key Clarity personnel have developed their expertise over 20+ years experience in dealing with IT contractor accounts.

All members of our management team have been specialising in contractor accounts for over 20 years, making us arguably the most **experienced** team in the marketplace.

We use the very latest **technology**, including a completely online communications system (used by some of the world's largest companies), and a cutting edge online accounting system, which provides clients with instant access to a summary of their up-to-date financial position.

Our technology is backed by a friendly, **expert** team of accountants who will go out of their way to keep our clients happy.

OTHER SERVICES?

We can offer competitive deals on a whole range of contractor services, via a network of business partners we have built up over the past decade, including:

- Comprehensive business insurance, including professional indemnity cover, public and employers' liability insurance, and tax investigation insurance.
- Our specialist partner provides contract review services at competitive rates.
- Our long-term IFA partner can provide access to mortgages, pensions, income protection cover, critical illness and life cover, and all other financial services products.
- If you do not want to contract via a limited company, we also provide access to an umbrella company service.

GET IN TOUCH

We are well aware that a contractor's most trusted adviser is their accountant. To find out why thousands of other contractors have used our team's services over the past 20 years, please get in touch.

We can produce for you a personal illustration of your potential net return from the contract, and answer any questions you may have about Clarity and our fixed fee service.
